Single Stream Recycling Information

With Single Stream Recycling you do not need to sort out recyclable materials. Everything can go into the same container. It must be separated from the trash in containers clearly marked for recycling. It is important that you put a "WM sticker" and a "large recycle sticker" on your recycle container and face it towards the road. **Recycle decals available at the PHA office (303-841-8572).**

- All recycling must be at the curb by 7:00 a.m. on collection day.
- Collection day for The Pinery HOA is every other week on Thursdays (except for the 6 holidays listed).
- Please note that the same weight restrictions apply for recycling as in the waste program. Containers should be loaded no heavier than 40 pounds maximum.
