**Marvin Brownell** – has been a resident of the Pinery since 2005 and expresses a desire to serve as a member of the ARC. He brings to this community significant experiences to qualify in that capacity, having previously served on the Architectural Review Committee for a 3500 home planned community in Tucson, Arizona.

Marvin is retired and formerly a Vice President-Operations for a major corporation. Previous experiences also include tenure as a Chief Industrial Engineer who designed and supervised new plant construction and facilities expansions.

**Joe Narracci – Incumbent/Vice-Chairman** retired 7 years ago from Littleton Public Schools after having spent 19 years there as an English teacher. He is married with four children, the youngest a Junior at CU, six grandchildren and has lived in the Pinery 18 years. As a chaplain, Joe came out of retirement and is a member of the clinical staff at Parker Valley Hope, a residential alcohol, drug and related treatment center. Aside from his family, his interests include camping, traveling, reading and doing volunteer work. Joe realizes that as wonderful as the Pinery is, there's always room for improvement. He hopes to continue his contribution to benefit all residents through making our home the best it can be.

**John Nevshemal** - John has a special respect for the Pinery as a place to live. This feeling goes back to the creation of the Pinery. At that time he ran in the road races that were held in the Pinery. In the mid-1980s, John left the Denver area, to return at the beginning of 1991, and was privileged to be able to purchase a home in the Pinery. His goal now would be to preserve the quality, as well as maintain the Pinery's uniqueness. This is the driving force behind John's interest, which also includes the goal of the Pinery original founders. John is now a Senior Private Consultant with complete control over his schedule which means being 100% available to address the needs of the PHA. John is a past member of the Pinery ACC as Vice-Chairman and therefore also understands the Pinery covenants in detail.

**Kirk Rabius – Incumbent** and Adrienne have lived in the Pinery since May of 2001. Adrienne was born and raised in St. Louis, Missouri, and currently serves as the Art Teacher at Mountainview Elementary. Kirk is a Colorado native, and grew up in Arvada, Colorado. Kirk has a great appreciation for the Pinery community and its mission. He thoroughly enjoys the friendly atmosphere, incredible neighbors, and the wonderful HOA Staff. As a former member of the Community Services Committee, Kirk coordinated the Pinery Picnic for the last three years.

Kirk is a professional mechanical engineer, serving as the Director of the Financial and Economic Consulting Division of Earth Tech, which provides facility, environmental, and transportation master planning, capital improvement planning, and budgetary planning services for K-12 and universities, federal, municipal, and commercial service areas.

**Carolyn Williamson** –The minute I discovered The Pinery in February of 1993, I knew this is where I would make my home in Colorado. I've been a resident and HOA member of this amazing and unique community since June 1993. Since 2000, I've also been an active Realtor specializing in The Pinery, so I have a vested interest in preserving our property values for my clients, as well as for my personal home. I have an art background, having worked as a designer and illustrator for 22 years prior to my career change. I believe I can bring energy, fairness and balance to my position on the Pinery ARC and welcome the opportunity to further serve our unique community!
