Make Your Vote Count!

Exercise your right to vote at the PHA Annual Meeting, Wednesday, January 11, 2012 at 7:30 p.m.

The vital positions on the Executive Board and Community Services Committee (CSC) help maintain our sense of community, provide input for the direction of development around the Pinery, manage finances and coordinate key Pinery activities.

Two (2) Executive Board positions and three (3) CSC positions are up for re-election. Find out more about the candidates on page 4 of this newsletter.

The ballot and bios reflect can-

didate information we have received as of press time. Candidate information continues to be accepted and will be reflected on the website and at the PHA Office if additional candidates come forward.

Please note: you must be a 2012 PHA member in good standing (dues current) within Pinery filings 1-8A to vote in the January election.

Your presence or proxy is essential to meet our 40 household quorum.

(See directed proxy on pages 7 & 8.)

2012 PHA Membership Dues

For those residents who are not in the Pinery trash program or lessees at the Pinery RV lot, 2012 membership dues are now payable (\$30). Bills are being sent.

2012 PHA Proposed Budget

Final details of the 2012 proposed budget may be viewed on the PHA website, www.pinery.org, or at the Annual meeting, January 11, 2012 at 7:30 p.m. in the meeting room of the Pinery fire station. Copies are also available in the PHA office at 8170 N. Hillcrest Way.

Membership, trash and storage lot fees will remain the same for 2012. Additional details will be reviewed at the January meeting.

Bayou Gulch Regional Park Offers Dog Off Leash Area

Douglas County is pleased to offer three fenced-in off-leash areas for your canine companions. Dog park users must adhere to all posted rules and regulations (see the Douglas County website: http://www.douglas.co.us/parksandtrails/documents/Dog_Off_Leash_Brochure_000.pdf).

Pet waste removal bags are provided at each location. Please help keep these areas open by cleaning up after your dog. Remember, dogs are allowed off-leash **ONLY** in the designated areas. For more information or questions regarding Douglas County dog parks, call 303.660.7495.

Bayou Gulch Regional Park provides 2+ acres of off-leash fun for man's best friend on the east side of Fox Sparrow Road. The dog park area is adjacent to 2.5 miles of soft, surface trails that require dogs to be on leash as a courtesy to other trail users and wildlife.

Directions: Take Hwy 83 south of Parker to Bayou Gulch Road, travel east one mile and turn north on Fox Sparrow Road. The dog park is on the right (east) side of the park.

Caution – Pinery Driving

We have had reports of vehicles being observed going the wrong direction on the divided North Pinery Parkway. Please ensure that any guests who visit are aware that this is a divided, four-lane road. With the many curves, hills and lack of sight distance; this is a very dangerous situation.

Similarly, the numerous deer in the Pinery make it critical that posted speeds and undistracted attention are observed when driving in the Pinery.

Stay safe as you travel throughout the neighborhood!

2012 Recycle Calendar

For your convenience, the 2012 Recycle calendar and the Pinery trash program information sheet have been inserted into this newsletter. Recycle days may also be found on the calendars on the last pages of each newsletter.

Extra recycle stickers are available at the PHA office in the lower level of the fire station, 8170 Hillcrest Way. Stickers are also provided in a drop box outside the PHA office.

Please feel free to contact the PHA office with questions: 303-841-8572.

All Pinery residents may attend Mountain View Elementary which is located at 8502 N. Pinery Parkway.

Mountain View Kindergarten Informational Meetings for 2012-2013

Please join us for a Kindergarten Informational Meeting at Mt. View Elementary.

Monday, January 9
6 to 7 p.m.

Thursday, January 12
9:45 a.m. to 10:45 a.m.

There will be a short principal address followed by a visit to the kindergarten classrooms. Childcare for toilet trained children will be available. Children entering Kindergarten must be 5 on or before October 1, 2012.

Visit our school landing page at <https://www.dcsdk12.org/schools/MountainViewElementarySchool/index.htm> for more information on our school and link to our website or call (303)387-8675. Hope to see you there!

2012 Pinery Community Services Committee (CSC) Candidates

Travis Dieringer

Travis and his two girls Miya and Fiela (a snake and a dog) have been living and enthusiastically participating in The Pinery since 2007. The close friendly community grown here makes it an ideal place to spend life. As a resident of this lush area of Colorado, Travis wants to do everything he can to assist in the growth and prosperity of the Pinery and its residents. Excited to give back to the community he immediately loved, he joined the Homeowners' Association CSC, and a short time later the Executive Board.

Travis is an architect and administrator of enterprise-level technologies, and has been working with business computer solutions of all kinds for over 12 years, consulting for home, small business, and Fortune 500

companies. His goal is to help people understand technology and how it can simplify their lives. He is excited to bring to the table many years of project management experience to help with Pinery programs and events, and is very proud to be a part of this community.

Paul Kennedy

Paul and Gayle moved from Dexter, Michigan to The Pinery in 1982 where they lived on Lightning View for 15 years when they moved ½ mile “up the hill” to Misty Pines. In 2003 they retired and spent eight years in a log home surrounded by the Blue Ridge mountains of Virginia. They returned “home” to The Pinery this past June (2011) where they love the sky and mountain views, the wonderful neighbors and the special place The Pinery has always been.

Paul has been involved in local projects such as petitioning to get the Douglas County open space we now enjoy, working with the county on the Timbers development to get roads and berms to protect lots, trees and views. He served as Architectural Control Committee chair for Misty Pines HOA. His “hot buttons” are Light Pollution and keeping us connected with the natural world.

Paul is a Photographic Scientist who enjoyed many years as engineer, technology researcher and as production and IT manager moving his companies through major stages of technology change. He was an Air Intelligence Officer in the US Navy in Guam and Vietnam and retired from the reserves as a Captain. He spent 10 years with Xerox and 21 years with Information Handling Services.

Who is eligible to vote in the PHA Election?

If you are a member in good standing for the year 2012 you may vote. A member in good standing lives in Pinery filings 1-8a and has paid the 2012 \$30 membership fee in one of the following ways: directly; as a Pinery trash member; or as a Pinery RV lot lessee.

How do I vote?

You may cast your vote in one of the following ways:

- Come to the January 11th meeting at 7:30 p.m. (Pinery Fire Station).
- Drop by the office by January 11, 2012 to complete the proxy.
- Mail or deliver your proxy to: PHA, 8170 Hillcrest Way, Parker, CO 80134 so that it is received no later than January 11, 2012. Or give it to the PHA member to whom you grant your proxy. (See pages 7 and 8.)

Between now and the Annual Meeting, additional candidates may come forward. Contact the PHA office prior to voting for updated candidate information.

RV Lot Matters

RV Storage Lot and Snow Removal

The Pinery Storage Facility Lease (Page 2, paragraph 5) states that the Association does not do snow removal. In addition to being very costly, plowing snow at the lots would be problematic. The soft surfaces at the lot could be easily damaged and, snow would of necessity be plowed in front of spaces of lessees.

Be sure to be aware of this as you make plans for use of your stored vehicle(s).

Those Pesky Mice

Please be aware that it is a violation of the storage lot lease to use any type of pesticide, poison or hazardous chemicals at the lot. Aside from that, the poison can be spread to other wildlife. Hawks, natural predators of mice, are put at risk when ingesting poisoned vermin.

At times, wildlife (e.g. mice) does cause damage to vehicle wiring. You can take non-toxic measures to discourage vermin.

- Make sure you've removed all food from the vehicle (that granola bar in the drawer will tide Mr. Mouse over the winter quite nicely.)
- Stuff Bounce brand fabric-softener sheets in nooks and crannies around the interior (fragrance doesn't seem to matter, pick what you like to smell).
- Create a non-toxic barrier with cayenne pepper (available inexpensively in large jars at the grocery store). Shake some around wherever the vehicle makes contact with the ground (wheels, hitch, etc.).

Winterized vehicles should be checked from time to time. Tarps can tear and be blown off by the wind. Any problems can be minimized through an occasional trip to the lot.

An RV Reminder

- Please remember to close the gates when you leave so that all the lots are secure.
- If another party arrives at the lot while you are entering or exiting, don't let them in without asking them to tell you the combination (they'll appreciate your efforts to keep their property secure!)

Coyote Safety Tips

Douglas County Sheriff Wants Citizens to be Educated about Coyote Sightings and Encounters

The Douglas County Sheriff's Office has received multiple calls in the last few weeks about coyote sightings and encounters in the higher populated areas of Douglas County. Sheriff Dave Weaver wants citizens to become educated about these animals as well as the do's and don'ts when encountering a coyote.

The following are things you can do if you spot a coyote in your neighborhood or near your home:

- Frighten coyotes with loud noises.
- Fear of humans is important for coyote survival.
- Keep garbage in a tightly sealed container.
- In your yard, remove pet food, fallen fruit and spilled seed beneath bird feeders.
- Use yard lights or motion detectors to frighten them away.
- Keep pets in fenced areas or covered kennels.
- Stay with your pets while outdoors, unless pets are in a secured, covered kennel.
- Do not allow pets to run loose. Keep pets on a leash.

Coyotes are usually skittish around humans and typically try to avoid people whenever possible. If you encounter a coyote:

- Never feed or attempt to tame a coyote.
- Do not turn your back on a coyote or run away from a coyote.
- If approached, make loud noises and make yourself look big. If this fails, throw rocks or other objects.
- Always keep yourself between the coyote and small children.
- Don't feed other animals that coyotes prey upon. Birdseed often attracts these innocent animals to your backyard which in turn attracts a coyote that is hungry.

Although attacks on humans are extremely rare, parents need to speak to their children about what to do if they encounter a coyote.

The Colorado Division of Wildlife has an extensive Web site that details information about coyotes and what to do if you spot one (see below).

PHA Trash Program Enrollment Form

If you are not in the Pinery Trash Program, you might want to consider joining with the over 1500 other participating homeowners. The program offers state of the art trash service including Single Stream Recycling. This provides you, with the opportunity to put paper and other recyclables together into a labeled container (we provide the labels) of your choice. Recycling must be separated from your regular household trash, but the recycling center now separates the paper from the bottles, cans, etc. You may choose to use a container with wheels and a lid for ease of handling.

In addition, our program includes the removal of one Large or Bulk Item every month. Give Waste Management a call, set the item out with your regular household trash and say goodbye. That's twelve times a year you can get rid of a sofa bed, mattress, chair or other item without additional charges. If you have more than one item in a month low rates are offered.

Go to our website, www.pinery.org for more details.

Why not join your neighbors in the Pinery Trash Program. You have everything to gain and nothing to lose... but your trash.

YES, I would like to join the Pinery Trash Program. Please begin my trash collection and billing under PHA's program as of the date checked below. I understand that the normal cycle will be billed in advance, quarterly.

AGREEMENT

By submitting this enrollment form with initial payment, the above Pinery resident and/or homeowner ("Homeowner") hereby authorizes The Pinery Homeowners' Association, Inc. ("PHA") to engage its contracted trash service to collect and dispose of Homeowner's normal household waste materials at the above described Pinery residence. Homeowner warrants that all waste materials offered for collection will not contain any hazardous, toxic or radioactive wastes or substances as defined by applicable federal, state or local laws or regulations. Homeowner agrees to pay PHA in advance within 15 days of billing for trash service at the PHA's then current rates until such time as Homeowner notifies PHA of Homeowner's termination from the PHA trash program. Failure to pay as specified which results in rebilling and/or termination will incur fees to cover the PHA cost of these actions. Homeowner shall be solely responsible to the contracted trash service for any additional services requested which are not included in PHA's normal trash program. Homeowner acknowledges that PHA is merely acting as a billing agent for the contracted trash service. Homeowner acknowledges and agrees that PHA will not be liable for any act or failure to act on the part of the contracted trash service, including, without limitation, violation of laws or regulations, injury or death to persons or animals and loss or damage to property or the environment.

Snow Removal – Responsibilities

Detailed information regarding resident snow removal responsibilities is available on the Douglas County website for your use.

[www.douglas.co.us/publicworks/
documents/08_Successful_Snow_Removal.pdf](http://www.douglas.co.us/publicworks/documents/08_Successful_Snow_Removal.pdf)

Pinery residents should be aware of the following:

- Any vehicles parked in the roadway, blocking access, will cause the snowplow not to clear that street. Note that streetside overnight parking is also a violation of Pinery Protective Covenants.
- It is illegal to place any snow and ice from private property (e.g. driveway) onto the street or public right-of-way.

From the Douglas County Website:

Anyone who violates the snow removal policy is committing a class 2 petty offense and if convicted is punishable by a fine not to exceed \$50 per violation. This ordinance is enforced by the Douglas County Sheriff's Office.

County Responsibility - Snow Removal from County Roads:

Douglas County works to make roads safer for residents by managing the County in five districts with assigned snowplows and operators for each. Snow removal is prioritized in the following order for all districts:

- 1) arterial roads that are major roadways with high traffic volumes;
- 2) collector roadways that distribute traffic between arterial and local roads, and school routes;
- 3) local roadways; and
- 4) cul-de-sacs. These roads equate to a total of approximately 2,400 lane miles that Douglas County is responsible for maintaining.

PHA Volunteer Opportunities

Have you ever considered serving on a Pinery Homeowners' Association board or committee?

The PHA Executive Board, Architectural Review Committee, and the Community Services Committee each has positions available.

The PHA acts primarily through the Executive Board. Members/homeowners give this authority through their votes for candidates and on amendments referred to members by the Board. The purposes of the PHA are set forth in the bylaws.

The ARC and CSC are both committees of and within the PHA. As such, they are subject to review and the authority of the Board. Their purposes are also set forth in the bylaws.

The Board has delegated to the ARC its covenant enforcement duties. This includes enforcement of Covenants and review of construction plans/exterior changes. The Board has delegated to the CSC functions which serve the community. These include Manage-

ment of Common Properties of the PHA, management of the day to day operation of services provided by the PHA (such as Pinery Trash Program, Storage Lot Program, Newsletter, etc.) and coordination of civic and social ac-

tivities for the Association such as the Annual Picnic, Art Show, Fishing Derby, Garage Sale, etc.

Interested PHA members should contact the office at 303-841-8572.
