### One Good Turn Deserves Another

Last month's blizzard was the most snow I have ever seen - I am from L.A. Lower Alabama. I was honored, however to come to the aid of a Pinery neighbor who found herself stranded at a RTD Park N Ride at the end of the Light Rail line. After dropping her safe at home I became stranded on a side street, AWD vehicle hopelessly stuck in the snow. Along came a young man (well younger than me anyway and these days that seems to be more and more of the population). He was in a dark blue four door jeep wrangler, produced a tow strap and after a few attempts had me headed in the right direction. I was remiss in not asking his name but I do know by the adornment on the jeep that he is an Oklahoma State University fan so from now on I will think of his kindness and say "Ride 'em Cowboys!"

## 2017 Community Services Committee (CSC) Candidates

### **Erin Miller**

Erin is originally from metro Atlanta and moved to the Denver area for graduate school about 10 years ago with her infant son and husband in tow. Her professional life revolves around patients in the hospital setting, mentoring future medical professionals, and includes adjunct faculty positions with Regis University and CU. She is most proud of her two young sons, ages 9 and 3, and her wonderful husband, who, without his support they wouldn't be here today. Their family has lived in Centennial, Wheat Ridge, and purchased their first

Colorado home in Parker during late 2009. They moved into their forever home here in The Pinery a little over a year ago and have made great connections with many of their neighbors. When looking for this forever home, they insisted that their yard have trees, be unique from other homes and have a southern facing driveway to facilitate snow removal. The Pinery was the only neighborhood to check all their boxes, plus more! Her desire to serve on the CSC stems from her desire to maintain the majestic beauty our neighborhood has and to grow the community spirit that she has come to rely on this past year.

### **Jim McGannon**

Jim would like to serve on the Community Services Committee to especially focus on our natural environment. He also has experience serving on the board of an HOA in Colorado.

He would also like to share his experiences serving on many conservation groups over the years. His career experience involves urban forestry, consulting arborist, consulting forester, and contract administration. Thank you for your consideration.

## Executive Board Candidates

### **Ronnie Johnson** **(incumbent)**

Ronnie and her husband, Bob, moved to the beautiful Pinery almost 10 years ago from Southern California. She worked seven years for United Launch Alliance and retired from there in January 2014. After retiring, she looked for opportunities to get involved with the local community. Her first activity with the Pinery HOA was to serve as volunteer coordinator for the 2014 picnic; in 2015 she was "promoted" to picnic chairperson. She was elected

to the HOA Executive Board in January 2015, and has served as Treasurer for the last two years. She would like to continue contributing to the community by serving another term on the Executive Board, and is asking for your vote.

### **Steven Stierstorfer**

Steven is the Director of Real Estate and Facilities for a Global Technology company based here in Colorado with oversight on daily operations, construction projects and P&L for facilities departments at all US locations. His other main responsibility is

for oversight on security measures for each site across the globe, currently 60+. Previous experience is in Operations and Procurement management in the floor covering industry until the downside of the residential industry many years ago moved by career path. He has been married to his significant other, Michelle, for 28 years and has 2 children and newly grandfather to one. His daughter, Amanda, is a Special Education Teacher in Scottsdale, Arizona and his son, Zach, is also a facilities manager in Greeley, CO.

## Black Forest Garden Club

**B**lack Forest Gardeners is a local gardening club with most of its members living in The Pinery. Individuals and families from nearby neighborhoods are also welcome. Non-members are welcome to attend a meeting/class to check out the club.

The club had a garden tour open to the public in August and has had classes on such topics as: Starting plants from seed, tour of vegetable gardens, how to make Bonsai plants, turning summer pots into holiday decorations, native plants, and growing tomatoes.

Networking in the club is a great way to find out the best plants to grow here and when to plant them.

Winter is a time to plan your garden, order seeds and repair or sharpen your tools!

Join us for our January 12 class at 7 pm on sharpening your gardening tools. It will be held at the Volz's house at 5518 Irish Pat Murphy.

Later, we will be having a class on building a plant light stand that you can use for starting seedlings or as a place for your plants to get regular light and improve their blooming.

For more information on the club go to [blackforestgardeners.com](http://blackforestgardeners.com) or email us at: [pinerygardenclub@gmail.com](mailto:pinerygardenclub@gmail.com).

### Waste Management Email Address Change

Many of you have found it helpful to contact Waste Management by email when requesting a large item or with any questions. That email address has changed to [FCHOA@wm.com](mailto:FCHOA@wm.com). This WM team is familiar with the PHA trash program and is available to assist Pinery residents. Of course, you may also call WM at 303-797-1600.

### Use of the Pinery Logo

Because the Pinery logo is a registered trademark, it may not be used for any purpose by either an individual or corporation without prior written approval of the PHA Board prior to use.

### Pinery Teens

Occasionally the PHA office receives calls from residents asking about snow removal. They would prefer to hire a local young person than a snow removal company to shovel off their porch and driveway. If you are interested in helping in this way, and would like to be put on our teen resource list, please contact the PHA office at 303-841-8572

## PHA Trash Program Enrollment Form

New form as of  
January 2016

If you are not in the Pinery Trash Program, you might want to consider joining with the over 1500 other participating homeowners. The program offers state of the art trash service including Single Stream Recycling. This provides you, with the opportunity to put paper and other recyclables together into a labeled container (we provide the labels) of your choice. Recycling must be separated from your regular household trash, but the recycling center now separates the paper from the bottles, cans, etc. You may choose to use a container with wheels and a lid for ease of handling.

In addition, our program includes the removal of one Large or Bulk Item every month. Give Waste Management a call, set the item out with your regular household trash and say goodbye. That's twelve times a year you can get rid of a sofa bed, mattress, chair or other item without additional charges. If you have more than one item in a month low rates are offered.

Go to our website, [www.pinery.org](http://www.pinery.org) for more details.

All trash starts must be received in the PHA office  
no later than 1 p.m. on the Thursday prior to the desired
