## Make Your Vote Count

**E**xercise your right to vote in the 2021 PHA election.

The vital positions on the Executive Board (EB) and Community Services Committee (CSC) help maintain our sense of community, interface with Douglas County for community issues, manage finances and coordinate key Pinery activities. One (1) Executive Board position and three (3) CSC positions are up for election. Find out more about the candidates on pages 2 and 3 of this newsletter.

Go to the Pinery website, [www.pinery.org/About/Board & Committees](http://www.pinery.org/About/Board & Committees) for more information regarding EB and CSC responsibilities.

## 2021 Proposed Budget

The 2021 Proposed Budget can be found on page 7 of this newsletter and is up on the website, [www.pinery.org](http://www.pinery.org). Copies are also available in the PHA office in the lower level of the fire station (8170 Hillcrest Way).

**Please note:** you must be a 2021 PHA member in good standing (dues current) within Pinery filings 1-8A to vote or run for a position in the January election. See details on page 3.

## 2021 Recycle Calendar

The Pinery trash program recycle calendar for January, February and March, 2021 can be found on page 4 of this newsletter. A calendar for April through December, will be provided in the March newsletter along with details about the new trash program.

## January Annual Meeting

Since we will be unable to have a 2021 PHA Annual Meeting this year, we are conducting the election and 2021 budget approval by mail-in ballot.

**At least 40 ballots must be cast for a valid election so please return your ballot to the PHA by January 27, 2021.**

**The ballot can be found on page 5 of this newsletter.**

## Winter Birds in The Pinery

-by Jeff Rucks, Pinery resident and retired wildlife biologist

It's winter in The Pinery. The pines are alive with the sounds of chickadees and nuthatches. Towhees can be heard scratching around beneath the oakbrush. Any remaining open water attracts large rafts of ducks and geese seeking a safe place to rest at night. So many birds remain in Colorado throughout the winter. Some, including ferruginous hawks and bald eagles, are winter migrants to our area. But at least half of our bird species have long ago left our community and are at this moment feasting on the abundant insects, seeds, and fruit of the sub-tropical and tropical forests of Central and South America.

A common misconception is that birds leave to escape the cold. Actually, they are not running from the cold, but running toward the food. As winter sets-in, insects become scarce, and leaves, seeds and fruit are mostly gone from the trees. Our ponderosa forest can no longer support

the number of birds that thrive here during the warmer seasons. So, the birds leave.

Migration is truly one of the most amazing phenomena in nature.

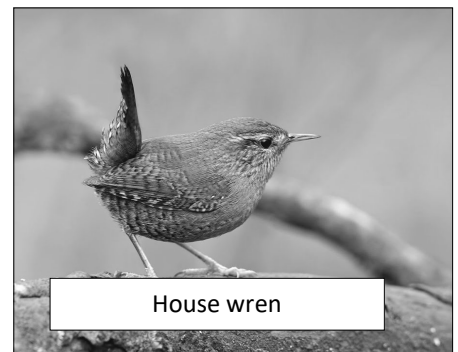

Chickadee

Imagine a warbler, or a tiny house wren, weighing only a few ounces, making a 1,400 mile journey twice each year! It's a journey fraught with peril and extreme risk. Along the way these little voyagers need to rest and they need to eat. This is where it gets dicey. If even a small amount of habitat along the way is destroyed or missing, they will not survive. Birds will lose about half of their body weight during the journey, even if everything goes well. Yet, every year, they make

the journey and those who survive manage to find their way back to that same Pinery grove they nested in the year before. This fantastic journey, with all the mysteries that surround it, makes their return each spring that much more exciting and worthy of celebration!

This winter, take a moment to enjoy and appreciate the winter birds of our Pinery community, and also pause to wonder about the incredible event of migration. Then, prepare to celebrate when the first robin appears on your lawn in the spring. Because, for the birds to return, means that a lot of good things are still right in this world.

House wren

Migratory Bird Treaty Act (1918). Recognizing that protection of migratory birds and their habitat requires international cooperation, in 1918 the United States entered into a treaty with Mexico, Canada, and other countries to protect migratory birds and their habitat along their migration routes. The concept is simple. We can't have birds in The Pinery if they lose their habitat in Mexico. We will lose our winter ducks if they lose their wetlands in Canada. This treaty also makes it illegal to kill migratory birds or disturb an active nest. This includes those pesky flickers and woodpeckers. If you harm them you are violating international law.

## Who is eligible to vote in the PHA Election?

If you are a member in good standing for the year 2021 you may vote. A member in good standing lives in Pinery filings 1-8a and has paid the 2021 \$33 membership fee in one of the following ways:

- directly
- as a Pinery trash customer or
- as a Pinery RV lot lessee

## How do I vote?

You may cast your vote in the following way:

- Mail or deliver your completed and signed ballot to: PHA, 8170 Hillcrest Way, Parker, CO 80134 so that it is received no later than January 27, 2021. (See pages 5 and 6.)

## Christmas Tree Disposal

### You can Recycle your tree

**December 26 thru January 31**

### Bayou Gulch

4815 Fox Sparrow Road, Parker

### Challenger Regional Park

17299 E. Lincoln Ave., Parker

Bring Christmas trees by at anytime and place in the mulching area. When recycling your tree, please be sure that they are completely undecorated. This means removing all lights, tinsel, garland, plastic wrap, tree stands, wire, rope, nails and all other foreign materials from trees before recycling them. Live trees with artificial snow sprayed on the branches cannot be mulched.

Mulch available on-site while supplies last.

Call Douglas County Parks Department at 720-733-6990 for more information. Also, check to see if there are changes to the plan.

**or**

Waste Management can pick it up with your regular trash if it is no taller than 5' or cut in half. In this case, it would not be recycled.

## January, February & March 2021 Recycle Calendar

Trash &amp; Recycle Day

Trash Only

### January

28	29	30	31			

Here is your recycle calendar for the first quarter of 2021. Waste Management will be our provider until March 31st. April 1st, Little Dumpsters will become our provider and the pick up days will change and we don't know the exact recycle days at this time. Details about the new service will be provided in the March newsletter and will be placed on the PHA website. Until then, all services and dates will remain as they are presently.

Recycle dates can also be found on the calendar pages of this newsletter (22 & 23).

### Pinery Teens

Occasionally the PHA office receives calls from residents asking about snow removal. They would prefer to hire a local young person than a snow removal company to shovel off their porch and driveway. If you are interested in helping in this way, and would like to be put on our teen resource list, please contact the PHA office at 303-841-8572

### Classic Pinery Filings Covenants Available Online

Covenants for Pinery filings 1-8A can be found on our website, [www.pinery.org](http://www.pinery.org)

# 2021 PHA Candidates

## Community Services Committee (CSC)

### **Kevin Hahn—incumbent**

Kevin Hahn is a Colorado Native with family ties to the mid-west who grew up in southeast Aurora and is a graduate of the University of Denver. Kevin moved to the pinery 3 years ago and is a firm believer in community, and connectedness. He served on the Pinery HOA's CSC committee last term, filling a vacancy left there by a mid-term departure. Kevin has an active interest in giving our community a voice as the Pinery builds a future for itself in the quickly changing landscape of Colorado. When he's not at a CSC meeting or at work, you're likely to find Kevin in his garage, working on his old truck, or a pair of equally outdated Johnson & Evinrude outboard motors - labors of love that help get him on the water, or on the trails.

### **Erin Miller—incumbent**

Erin is originally from metro Atlanta and moved to the Denver area for graduate school about 13 years ago with her infant son and husband in tow. Her professional life revolves around patients in the hospital setting, mentoring future medical professionals, and includes adjunct fa-

cility positions with Regis University and CU.

She is most proud of her two young sons, ages 13 and 7, and her wonderful husband, who, without his support they would not be here today. Their family has lived in Centennial, Wheat Ridge, and purchased their first Colorado home in Parker during late 2009. They moved into their forever home here in The Pinery a little over five years ago and have made great connections with many of their neighbors. When looking for this forever home, they insisted that their yard have trees, be unique from other homes and have a southern facing driveway to facilitate snow removal. The Pinery was the only neighborhood to check all their boxes, plus more! Her desire to continue on the CSC stems from her desire to maintain the majestic beauty our neighborhood has and to grow the community spirit that she has come to rely on these past years.

### **Katie McDonald**

Katie and her family moved here to The Pinery in July. She is a Colorado native, and owns a Pre-school here in Parker. Prior to moving to Parker she spent the last 10 years of her life in Northeast Denver.

During her time there she was President of the registered neigh-

borhood organization and was responsible for planning neighborhood Easter egg hunts, Christmas tree lightings, Summerfest, concerts in the park, the farmers market, and additional activities based on the time of year. Her last two years in Northeast Denver she was also a board member of the Ebert Metropolitan District.

She has also held volunteer positions at Families First working their parent support line, Denver kids Inc. as a mentor, Lutheran refugee services hoping to place family's new to America and multiple organizations and boards involved in Early Childhood Education.

Since moving to The Pinery she has found that the thing she is missing the most is involvement in her community and would like nothing more than to begin that process again.

## Executive Board

### **Barry Hong**

Barry Hong moved to Parker, CO in 2003 and to The Pinery in 2013. Barry has spent his professional career in real estate development, management, operations and acquisitions. Over the last 22 years, Barry has developed, managed and/or acquired over \$3B in real estate.

(2021 PHA Candidates cont'd)

**PRESIDENT'S CORNER**

Prior to his professional roles, he served in the US Navy/Civil Engineer Corps. (CEC), fulfilling a five-year active duty enlistment with an additional three years served in the Reserves. During his time on active duty, Barry was deployed four times overseas, earning many ribbons, citations and awards.

In addition to his military and professional achievements, he attended Regis University, where he pursued his undergraduate degree in Business Administration and Management, with a minor in Accounting. Barry has volunteered his time to an equestrian center designed to assist children and adults with various disabilities, as well as, served as the Secretary of Treasure and member of the Design Review Board for the Centennial Air Park Business Association—Centennial, CO. Barry currently resides in Parker, Colorado with his wife and two daughters.

2020 was a unique year and few of us will never forget! We can take pride in our community as we all came together to support one another. The PHA was able to accomplish several projects throughout the restrictions of 2020.

Phase One to *Beautify Our Front Entrance* was completed with new Xeriscape plants, new entryway sign with our current logo, updated landscape lighting, much of the sod was removed and replaced with Xeriscape material. Flowers and native grasses were planted. The decades old irrigation system was replaced with more efficient system which will reduce water usage and irrigation costs.

In 2021, we will implement Phase Two with the addition of deciduous and evergreen trees and the replacement of street lighting. North Park Trails were rebuilt, trees were trimmed or removed. Lakeshore Park trees were also trimmed and trees replaced. Resident participation in the Fire Wise program grew this year! Sixty six residents took part in the Chipper Days events, all helping to maintain our Fire Wise community status.

2021 will bring changes in the PHA Trash program. Our contract with Waste Management expires this year. Extensive research of

five trash providers, including Waste Management, was done, striving to maintain similar service at the best possible price and meet the needs of our community. We found that the majority of today's trash services are moving to automated trucks for 100% of the trash and recycle pick up, and eliminating any bag or yard debris pick up. We are happy to share that Little Dumpsters, a locally owned company, will be providing for The Pinery's trash and recycling needs, beginning this April!

Waste Management will pick up their totes and the new company will deliver theirs. The March Newsletter and our website ([www.pinery.org](http://www.pinery.org)) will have all the details. We recognize that there may be some "bumps" as we transition, but we are confident that Little Dumpsters will provide The Pinery with fantastic service in the years to come! As we start the new year, it is my hope that we all find happiness in our wonderful place we all call "home"!

Sonia Eyre  
President , HOA

## Douglas County Emergency Notification System—CodeRED

Life can change in a moment - make sure you are connected to the CodeRED emergency notification system in Douglas County! The system, CodeRED, is a high-speed telephone emergency notification service allowing public safety agencies the ability to deliver pre-recorded information to targeted areas within the county.

Douglas County's public safety agencies encourage everyone to register their contact information in the CodeRED system (reverse 911). Registration is not automatic, but it may be critical to your safety and that of your family.

Please register online at [douglascountycodered.com](http://douglascountycodered.com)

## Anonymous Complaints

**Reminder:** The Architectural Review Committee is unable to address anonymous complaints.

## Is Your House Number Clearly Visible?

Please make sure that your house number is placed on your home as well as on your mailbox. The numbers need to be large enough to be easily read from the street and in a color that can be clearly seen.

- Emergency vehicles need to be able to easily find your home
- Those delivering packages look for numbers on houses

**These are times when  
you definitely want to be found.**

## 2021 Information for Advertisers

**When is “The Pinery Homeowner” published?** It is published six times yearly: the first week of January, March, May, July, September, and November.

**Who receives the newsletter?** Distribution covers bulk mail to the six routes that serve the Pinery neighborhoods east of Parker Road. Total distribution is approximately 2,500 copies.

### How do I submit an ad?

- Submit ads and payment to the PHA office on or before the advertising deadline. The deadline is noted in the Community Calendar section of the prior Newsletter.
- Submit ad digitally on computer disk or as an email attachment (See email address below).
- Submit ad in **at least 300 dpi**. (pdf, jpg and tif work well.)

Ad is to be sized and configured as described below.

**Can I get a discount?** A 10% discount is applied to ads placed for six issues or one calendar year.

Newsletter Ad Specifications			PHA Members in good standing*	Non- PHA Members
