

What if...

- ... your phone alerted you to possible leaks?
- ... you could monitor sprinkler usage on a daily basis?
- ... water bills weren't surprising?

Welcome to EyeOnWater®!

Pinery Water is excited to announce BEACON's EyeOnWater® metering technology is now installed on your water meter. Information about your water usage is at your fingertips: the EyeOnWater® app allows you to track monthly, weekly, daily, and hourly water usage. Knowing when your home is using the most water can help you find ways to conserve. The app also allows you to set custom leak alerts to help you avoid costly water waste. You can access your account on both computers and mobile devices.
