## January 2015 PHA Election

**T**he 2015 January elections will be held on the 14th to fill (3) positions on the Community Services Committee (CSC) and (1) at-large position on the PHA Executive Board. Please consider serving.

**The Executive Board** is responsible for establishing corporate policy and the finances for the association.

**The Community Services Committee** is responsible for upkeep of the common property, managing the trash and RV programs and coordinating the Pinery community events.

If you feel that you would like to serve your community in any of these ways, please consider having your name placed on the ballot.

Candidate information should be submitted to the PHA office, 8170 Hillcrest Way, Parker, CO 80134, by December 1, 2014.

*See the January 2015 newsletter for ballot and candidate information.*

## What's Happening on North Pinery Parkway?

**T**he Pinery Water and Wastewater District is beginning construction on a two million gallon potable water storage tank. This tank will provide improved reliability and more storage for fire flow situation to the surrounding community. The new tank is being constructed on the north side of North Pinery Parkway just past Windwood Way (if you are headed into the Pinery). Glacier Construction is the general contractor on this project and were mobilizing to begin construction the last week in October. Construction is scheduled to extend to July 2015.

If you have any questions or concerns related to this project or any other project, please contact the Pinery Water and Wastewater District at 303-841-2797.

## Pinery Trash Payments

### Pinery Teens

Occasionally the PHA office receives calls from residents asking about snow removal. They would prefer to hire a local young person than a snow removal company to shovel off their porch and driveway. If you are interested in helping in this way, and would like to be put on our teen resource list, please contact the PHA office at 303-841-8572.

## Garden Happenings—Winter a Time to Reflect

*Written by Joann Farrend*

Unlike in years past, this summer provided an abundance of rain for gardeners, which produced a bumper crop of produce. As the cooler temps approach, who knows what the winter months have in store for us? Winter allows time to reflect on our garden successes and failures, endeavors (which we have not given up hope) and time to contemplate plans for next year.

As I reflect back on the Black Forest Gardeners' first year, I am very excited with how successful our club has been. We have accomplished a great deal in a short period of time. Our success is due to all of our members working so hard to make things happen! I do want to take time to thank a few people who have given so much of their time and knowledge to help us to a wonderful beginning... John Quade for all of his gardening expertise, Janet Stevens for all of her knowledge on how a club works and her time, and Joann Bruso for creating the best Facebook page!

Have you checked out our Facebook page? If not, what are you waiting for?! Joann has done an amazing job. She usually finds the time to post several items every day. The page is full of wonderful information about gardening such as preparing the ground for next spring, natural gardening tips and how to grow various plants. But, there's so much more -- beautiful photos, tablescape ideas, fun facts, natural remedies and the funniest videos.

So go check out the Black Forest Gardeners' Facebook page -- <http://www.facebook.com/BlackForestGardeners>. Be sure to go to the album section as it's categorized to easily get the specific gardening info you need. I'm sure you'll find something inspirational, funny and informative!

### Buy a Tagawa Gift Card!

Are you thinking of decorating for the holiday season with a Christmas tree, fresh evergreen boughs and garlands, ornaments or Poinsettias? Why not shop at Tagawa Gardens? Our club will be selling Tagawa gift cards for the holiday season. Every time we sell a gift card, Tagawa gives us a small percentage of the purchase price. The cards may be purchased in \$25 and \$50 amounts. Go to our website ([pinerygardenclub.weebly.com](http://pinerygardenclub.weebly.com)) to see some of the gorgeous items that Tagawa has to offer. The cards will be available for purchase on Saturday, December 6th. Please contact us at [pinerygardenclub@gmail.com](mailto:pinerygardenclub@gmail.com) if you're interested!

### Future Events

Usually the winter months are quiet for most garden clubs, but we have several events planned:

- **Porch Pot Class at Tagawa Gardens -- Saturday, December 6th at 9:30 AM**

Transform your outdoor holiday decorations! Join us for breakfast followed by a great demonstration by Luan Akin of Tagawa Gardens. During the class you learn how to decorate your outdoor urns with greenery and how to make a wreath. Did I mention the class is FREE? Tagawa will have greenery available for purchase allowing you to add interest and beauty to your urn or pot. This will be a great opportunity to create something beautiful both inside and outside your home. Also, this is during Tagawa's Holiday Extravaganza weekend with lots of activities including Santa and two reindeer. Check our website to learn more and to RSVP at <http://pinerygardenclub.weebly.com>.

- **Holiday Party -- Saturday, December 11, 2014**

Join fellow gardeners at a Holiday Party. Bring your favorite appetizer. This should be a lot of fun and a time to get to better know other gardeners. RSVP and Questions: Jan Stevens @ [janstevens17@hotmail.com](mailto:janstevens17@hotmail.com). The time is still to be determined. Check our website as we will be posting the time soon.

## COVENANT CORNER

*The Pinery Architectural Review Committee*

### Deck Changes / Replacements

With the age of many homes in the Pinery, a common exterior project is replacement of an existing deck. If a previously-approved deck is being replaced with no change in size, shape or materials (including railing), the project is considered maintenance or restoration and submittal for Architectural Review is not required. If changes are part of the plan or for example a cover is to be added, submittal is needed.

Start by taking photos of the existing deck, at a distance, so that a good perspective of the deck and it's relation to the house and property can be understood.

Additionally, a Douglas County Building Permit is required in most cases. The County requires railings spaced so that a 4" sphere cannot pass through. For ground level decks, stairs with over 4 risers require railings.

Submittal for architectural review should include at minimum:

- Plot plan for property showing
  - Location of existing dwelling

- Location of property lines and easements
- Location of proposed deck
- Measurements between all of the above

- Drawing of proposed deck showing all finished elevations and dimensions (front, back, sides and overhead) with materials and colors (finish) indicated or supplied, roof pitch indicated if roofing is being added. In some filings, Covenants require 4/12 minimum roof pitch.
- Location and description of any added lighting.
- Photos of current structure and the location of the deck.
- Signatures of affected neighbors to indicate that they are aware of the proposed change or addition, the meeting date, and time the plan will be presented to the ARC.

Submittals, especially photos, may be sent by E-mail to [arc@pinery.org](mailto:arc@pinery.org). If you have questions, feel free to E-mail or call the ARC office at 303-841-5305.

## Bayou Gulch Connector Trail open to the public for non-motorized use

A new 4-mile soft-surface trail has been completed on Bayou Gulch Open Space and is now open to the public for non-motorized use. Parking is available at Bayou Gulch Regional Park at 4815 Fox Sparrow Road, Parker, CO 80134. A connection to the new trail is on the west side of Bayou Gulch Regional Parks, and crosses Bayou Gulch Road at a cross-walk with a self

–activated light to stop traffic. The trail around the edge of the open space is open to pedestrians and equestrians only. The connector that runs west under highway 83 to the Cherry Creek Regional Trail is open to pedestrians, equestrians, and bicyclists. The peripheral trail may be closed from time to time to accommodate equestrian events of the Colorado Horse Park; the connector trail will remain open at

all times. The horse jumps and the pathways leading to the jumps are the private property of the Colorado Horse Park and are not open to the public. Questions about the Bayou Gulch Open Space and the new trail may be referred to the Division of Open Space and Natural Resources at 303-660-7495.

## PHA Trash Program Enrollment Form

If you are not in the Pinery Trash Program, you might want to consider joining with the over 1500 other participating homeowners. The program offers state of the art trash service including Single Stream Recycling. This provides you, with the opportunity to put paper and other recyclables together into a labeled container (we provide the labels) of your choice. Recycling must be separated from your regular household trash, but the recycling center now separates the paper from the bottles, cans, etc. You may choose to use a container with wheels and a lid for ease of handling.

In addition, our program includes the removal of one Large or Bulk Item every month. Give Waste Management a call, set the item out with your regular household trash and say goodbye. That's twelve times a year you can get rid of a sofa bed, mattress, chair or other item without additional charges. If you have more than one item in a month low rates are offered.

Go to our website, [www.pinery.org](http://www.pinery.org) for more details.

All trash starts must be received in the PHA office no later than 1 p.m. on the Thursday prior to the desired Monday service day.

YES, I would like to join the Pinery Trash Program. Please begin my trash collection and billing under PHA's program as of the date checked below. I understand that the normal cycle will be billed in advance, quarterly.

### AGREEMENT

By submitting this enrollment form with initial payment, the above Pinery resident and/or homeowner ("Homeowner") hereby authorizes The Pinery Homeowners' Association, Inc. ("PHA") to engage its contracted trash service to collect and dispose of Homeowner's normal household waste materials at the above described Pinery residence. Homeowner warrants that all waste materials offered for collection will not contain any hazardous, toxic or radioactive wastes or substances as defined by applicable federal, state or local laws or regulations. Homeowner agrees to pay PHA in advance within 15 days of billing for trash service at the PHA's then current rates until such time as Homeowner notifies PHA of Homeowner's termination from the PHA trash program. Failure to pay as specified which results in rebilling and/or termination will incur fees to cover the PHA cost of these actions. Homeowner shall be solely responsible to the contracted trash service for any additional services requested which are not included in PHA's normal trash program. Homeowner acknowledges and agrees:

1) that PHA is merely acting as a billing agent for the contracted trash service; 2) that Homeowner shall not receive any refund upon termination of Homeowner's participation in PHA trash program unless Homeowner provides advance notice to PHA, including address to which refund should be sent; and 3) that PHA will not be liable for any act or failure to act on the part of the contracted trash service, including, without limitation, violation of laws or regulations, injury or death to persons or animals and loss or damage to property or the environment.
