

Biggest Picnic Yet!

Over 500 folks showed up to enjoy the 2015 Pinery Picnic Event. preparations had begun bright and early Saturday morning as hardworking volunteers arrived at Lakeshore Park to set up for the Picnic and Art Show while the Kids' Fishing Derby was getting underway at Bingham Lake. There was much hustle and bustle as tents, tables, chairs and games were put in place.

Food, music, games, miniature golf, horseback rides and group activities were all part of this entertaining day. The face painters and balloon artist were a great success as always and organ grinders, Ken Hodge and Pat Moore added to the Picnic atmosphere with their festive music.

Talented artists displayed their artwork. Beautiful stained glass, paintings, drawings, jewelry, stone art and much more were enjoyed by all.

See pages 4-9 of this newsletter for pictures and more details of these events. Also, keep watch on the website, www.pinery.org for more pictures as they are added.

Our friendly neighborhood firemen paid a visit with their fire truck—much to the delight of the children. Thank you guys!

Volunteers Extraordinaire!

Picnic Coordinators:

Ronnie Johnson: Picnic Coordinator
 Penelope Williams: Volunteer Coordinator
 Cyndi Mumm: Art Show Coordinator
 Jeff Rucks: Kids' Fishing Derby Coordinator

Deepest gratitude goes to our amazing volunteers. From early morning set up to afternoon teardown, they worked hard making this a very successful Picnic. Without these faithful folks this event would not be possible.

Volunteers: William Becker, Angela, Cori & Keaghen Birka, Christine Benson, Emma Bishop, Jackie Chipouras & family, Denice & Jarrett Dirks, Biswadip Ghosh, Will & Jonathan Glaser, Annamarie Hoer, Bob & Sally Hult, Bob Johnson, Tom Jones, Ethan & Emerson Lamansky, Tessa McNeil, Sarah Melius, Jyll & Connor Moore, Howard Mumm, Myles Murphy, Julie Naab, Bonnie, Cassidy & Colton Papka, Kara Phillips, Jonathan & Debbie Poster, Doug & Kathryn Ravnholdt, Gwen Richards, Amy & Evan Sharpless, Gary, Brandon & Kaitlyn Souza, Judith Stokes, Dan Strangfeld, Wes & Penny Wasem, Zoey Wardrobe, Dan & Michele Woodman and Ward Williams.

(We apologize if we have missed listing anyone who helped with this event.)

The PHA would like to express appreciation to Ward Williams and Bobcat of Parker for the use of the Bobcat utility cart at the Picnic. It was kept busy all day long hauling everything from tables & chairs, water, soft drinks and ice to many bags of trash.

Thank you to Kenneth Hodge & Patsy Moore for sharing the festive music from their street organ.

year.

Trophies went to:

- Most fish caught: Nic Krauss
- Largest fish: Patrick Hamilton
- Largest perch: Chloe DeLisa; and Aden Folchert (tied)
- Largest bass: Legacy Cortright
- Largest sunfish: McKinny Lawson

Well over 50 fish were caught. A good time was had by all.

Garden Happenings - A Summer of Fun

Did you think the garden club had disappeared? We are definitely still around. The summer has been busy — going on garden tours, planting our own gardens despite all the spring rain, socializing and planning a huge garden tour to take place next August.

Three of our members were kind enough to invite us over to view their gardens. It's so exciting to get a peek at other people's gardens and have the opportunity to pick their brains about the different types of plants and techniques that they use. All of the gardens were beautiful, yet different in many aspects. One was more focused on vegetables, another offered both flowering plants and vegetables and the last had a small pond and even a small vineyard with Frontanac grapevines. Each garden had at least one nice take-away which you could implement in your own garden.

The next tour was a 2-for-1, as the houses were across the street from each other. One featured a "no mow" lawn! How cool is that? Remember those grape vines? Well that turned into a lovely evening of tasting homemade wine. Thanks to Douglas Ravnholt, Paul Kennedy and their wives for a lovely evening. In addition to loads of tomatoes and potatoes, Dennis Volz has a weather system that broadcasts information such as temperature, a 10-day forecast, and wind speed over the internet! Check our website for the link to the Pinery Weather Center.

Our Next Meetings

Now that fall is around the corner, we will be back to our regular meetings where we have guest speakers! You are more than welcome to attend.

Interested in learning how to create a bird bath or a hypertufa planter? Wondering what a hypertufa planter is? It is a lightweight concrete planter that is so adorable. Take a look at the picture to the left. We will offer classes on how to make these Saturdays during the fall. There will be a nominal charge for supplies. Be sure to check our website for details and to RSVP:

2015 Slash/Mulch Site Opening

Saturdays ONLY May 2 - October 31

8 a.m. - 5 p.m.

New Hours and Longer Acceptance Season to Minimize Fire Hazards

To help residents clear their properties of dead tree branches and shrubbery, a slash/mulch site will be open through October 25. The site will be open from 8 a.m. and 5 p.m., Saturdays only and is located at 1400 Caprice Dr. in Castle Rock. In case of inclement weather, please call 303.663.6274 to confirm the site is open.

Acceptable items: tree branches and shrubbery with a maximum length of 6 ft. and maximum diameter of 12 inches. All loads when brought in must be covered and tied down.

Not Accepted: stumps, roots, lumber, railroad ties, grass, dirt, household trash, loose pine needles, appliances and weeds.

The County respectfully requests that residents DO NOT leave materials anywhere on the site when it is closed/unattended.

Douglas County and the Wildfire Mitigation Specialists encourage property owners to use this opportunity to perform mitigation work and reduce hazardous fuels on their land. Douglas County Wildfire Mitigation Specialists offer free site visits to determine the safety of a property at no cost, upon request. Call 303.660.7497 to request a consultation for information on Wildfire Mitigation.

Douglas County Emergency Notification System—CodeRED

Life can change in a moment - make sure you are connected to the CodeRED emergency notification system in Douglas County! The system, CodeRED, is a high-speed telephone emergency notification service allowing public safety agencies the ability to deliver pre-recorded information to targeted areas within the county.

Douglas County's public safety agencies encourage everyone to register their contact information in the CodeRED system (reverse 911). Registration is not automatic, but it may be critical to your safety and that of your family.

Please register online at douglascountycodered.com

COVENANT CORNER

The Pinery Architectural Review Committee

Considering a Siding Change?

Is your house beyond repainting or would you like to upgrade your siding? Siding allowed in the Pinery is:

- Wood
- Stucco
- Brick
- Fiber-Cement Composites:
 - ◊ James Hardie
 - ◊ Cemplank
 - ◊ CertainTeed

Vinyl and metal siding are not allowed. If allowed by the Protective Covenants for your address, the ARC will review other siding materials requested by residents on an individual basis. Samples of the material for evaluation is needed in this case.

Siding changes require approval of the Architectural Review Committee prior to installation. Please provide:

- One or more photos of your house showing the overall appearance and style of your house.
- Manufacturer and style of the material (e.g. 8 ½" lap siding, finish texture of stucco)
- Samples of colors to be used. These must be within the earth tone range required by Covenants and depicted on the color board in the Pinery HOA office.

Trash Dumpsters

At times, during construction or renovation projects, the most efficient way to handle debris is through rental of a dumpster.

In the event a dumpster is required, it is helpful if you can notify the office (303-841-5305 or arc@pinery.org) with your address and the timeframe that the dumpster is expected to be present.

It is Pinery policy to allow dumpsters for limited periods of time (e.g. one to two weeks). Ideally, dumpsters should be placed on your driveway. They **should not** be placed on the street which could create a hazard.

From time to time, we hear of rental dumpsters being filled with material from by persons without the permission of the contracted resident. Please understand that this may be considered "Theft of Service" and persons observed doing so may be prosecuted.

Trees, Landscape and Covenants

The landscaping paragraph for all Pinery Protective Covenants requires that any diseased (or dead) trees be removed. Some filings stipulate removal within a reasonable time after the condition is discovered, others within 120 days from when the condition was discovered or after receipt of notification from the ARC. In some filings, two for one replacement of removed trees is required. The

ARC will consider variance requests to this requirement if:

1. Significant trees are present on the property, and/or
2. Replacing as stipulated would cause over-crowding or exacerbate wildfire hazard.

Provide photos of your yard to arc@pinery.org to illustrate. Because a variance would be needed, please provide adjacent neighbors' signatures.

If you have dead or diseased trees on your property, contact our office and make arrangements for removal of the tree(s). This will ensure compliance with covenants, maintenance of the beauty of the neighborhood and reduction of fire danger.

It is the responsibility of each homeowner to maintain their landscape. In addition to tree care, mowing, weeding and irrigation (as possible within any watering restrictions) is needed on a regular basis, so that your property can contribute to the beauty of the Pinery.

Latex Paint Disposal Tips:

- Water-based latex paint is NOT a hazardous waste, and can be safely disposed of with your regular household garbage once it is dried out and no longer liquid.
- Mix the paint with kitty litter, dirt or sand to help it dry out and solidify.
- Break the top layer and stir so that wet paint underneath can dry faster.
- Dried-out cans of paint with the lid off can be discarded in household trash.

PHA Trash Program Enrollment Form

New rates as of
July 2015

If you are not in the Pinery Trash Program, you might want to consider joining with the over 1500 other participating homeowners. The program offers state of the art trash service including Single Stream Recycling. This provides you, with the opportunity to put paper and other recyclables together into a labeled container (we provide the labels) of your choice. Recycling must be separated from your regular household trash, but the recycling center now separates the paper from the bottles, cans, etc. You may choose to use a container with wheels and a lid for ease of handling.

In addition, our program includes the removal of one Large or Bulk Item every month. Give Waste Management a call, set the item out with your regular household trash and say goodbye. That's twelve times a year you can get rid of a sofa bed, mattress, chair or other item without additional charges. If you have more than one item in a month low rates are offered.

Go to our website, www.pinery.org for more details.

All trash starts must be received in the PHA office no later than 1 p.m. on the Thursday prior to the desired Monday service day.

YES, I would like to join the Pinery Trash Program. Please begin my trash collection and billing under PHA's program as of the date checked below. I understand that the normal cycle will be billed in advance, quarterly.

AGREEMENT

By submitting this enrollment form with initial payment, the above Pinery resident and/or homeowner ("Homeowner") hereby authorizes The Pinery Homeowners' Association, Inc. ("PHA") to engage its contracted trash service to collect and dispose of Homeowner's normal household waste materials at the above described Pinery residence. Homeowner warrants that all waste materials offered for collection will not contain any hazardous, toxic or radioactive wastes or substances as defined by applicable federal, state or local laws or regulations. Homeowner agrees to pay PHA in advance within 15 days of billing for trash service at the PHA's then current rates until such time as Homeowner notifies PHA of Homeowner's termination from the PHA trash program. Failure to pay as specified which results in rebilling and/or termination will incur fees to cover the PHA cost of these actions. Homeowner shall be solely responsible to the contracted trash service for any additional services requested which are not included in PHA's normal trash program. Homeowner acknowledges and agrees:

1) that PHA is merely acting as a billing agent for the contracted trash service; 2) that Homeowner shall not receive any refund upon termination of Homeowner's participation in PHA trash program unless Homeowner provides advance notice to PHA, including address to which refund should be sent; and 3) that PHA will not be liable for any act or failure to act on the part of the contracted trash service, including, without limitation, violation of laws or regulations, injury or death to persons or animals and loss or damage to property or the environment.

Fraud Alert

Door-to-Door Scammers are looking to make a quick buck from unsuspecting residents. Unscrupulous sales agents traveling from door-to-door have been known to use deceptive, high pressure sales tactics to get people to purchase expensive, and sometimes substandard, products and services. Some of the most common door-to-door schemes are listed below:

Magazine subscription agents have been known to use teens and young adults to approach residents and sell subscriptions at often over-inflated prices, claiming they are raising money for a charity, school trip, or other seemingly worthy cause. While consumers usually have a pleasant experience with the young salespeople, they have reported problems receiving the magazines they've ordered, poor customer service, and billing issues when dealing directly with the companies.

Traveling contractor scams can take various forms. Some offer home repair services to include; roof repair, driveway paving, and other handyman types of activities, while others offer tree trimming or yard work services. All quote a low price that appears to be a very good deal, but most raise the fee substantially after the work is supposedly complete. Consumer complaints have illustrated that often times the work is substandard or incomplete, but the consumer is unable to contact the contractor for a refund. Often-times, the traveling contractor collects an upfront fee, usually saying it's for supplies, equipment, etc., and vanishes before any work is done.

Consumers can help protect themselves from door-to-door scammers by following these tips:

- Ask for identification from the salesperson before they enter your home.
- Don't do business on the spot; ask for all information to be put in writing.
- Research companies with the Better Business Bureau (www.bbb.org)
- Solicitors in Douglas County are required to have a permit (nonprofit organizations are exempt)
- Get written estimates from several companies and check references for each company.
- Read what you are signing, do not take the salesperson's word for it. Ensure that all promises made by the salesperson are included in the contract.
- Douglas County Sheriff's Office have 'No Soliciting' stickers. Stop by the Sheriff's Office in Castle Rock or the Substation in Highlands Ranch during business hours to pick up your free door sticker.

Consumers who believe they have fallen victim to a scam should report it to your local law enforcement agency. If you have not fallen victim but would like to report fraudulent activity, you may do so at www.coloradoattorneygeneral.gov/complaint.

Trash Tidbits

If your trash is missed:

Contact Waste Management first.

- **The best way** to do this is to email them at: cdirect@wm.com. (The customer service representatives at this email are familiar with the uniqueness of the PHA trash program.)
- If you are unable to email, call WM at 303-797-1600.
 - ◆ When giving your street name, do not include directional signs, N, E, S or W unless you live on N Pinery Parkway.
 - ◆ Let them know that you are a part of the Pinery Preferred Hauler program.

If this does not solve the issue, please contact the PHA office at 303-841-8572 and we will contact our WM representative.

If you have a large item for pick up:

Contact Waste management to schedule. As described above, email or call.

If you need to dispose of tree limbs or brush:

They must be tied in 4 foot long manageable bundles. Ten bags or bundles are included with your trash service.

If you are moving:

Please remember to contact the PHA to end your service and to provide your forwarding address if a refund is due.
