

The Pinery Fishing Derby & Picnic back by popular demand!!

What an amazing day it was as about 600 folks from our Pinery families once again were able to gather at Bingham Lake and Lakeshore Park in perfect Colorado weather. Cotton Candy, Snow Cones, Popcorn, Carnival Games, Face Painting, Bounce Houses, DJ and a Balloon Artist filled the day with much excitement! Relay Races and Tug of War were all part of the "Funathalon" led by the great volunteers of Cub Scout Pack 649!

for those who could answer their trivia questions the fastest.

Honored guests returning this year!!

The members of the PHA Community Services Committee worked diligently all year long planning to bring the Pinery Picnic & Fishing Derby to our community. It has been my privilege this year to work together with Lisa Nemmers, one of the newest members of the CSC, as picnic coordinators. Her eye for detail, abounding energy and dedication to

her community helped make this year's Picnic a great success!! My deepest gratitude to our wonderful staff of the PHA office who worked weeks in advance on all the behind the scene duties needed to bring this great event to our residents! To JoAnn, Janet, Natalie, Stephanie and Jim Thank you for all you do every day to care for The Pinery!!

Please consider giving just a few hours of your time next year as a

volunteer for the "Pinery's Big Day". The reward of hearing the laughter of the Pinery children providing additional sunshine to this already magnificent landscape is worth the time given!! Until we meet again under the beautiful Colorado skies peace and safety to all Pinery Families!!

Development Application in The Pinery

There is a 12.35 parcel of property North of The Pinery's North Park (bordered on the South by Sunridge Hollow Rd, Ponderosa Way and on the west by Betts Ranch Rd. and on the North and East by existing residential Development). A link to a map of the area is below. It is currently owned by the Douglas County School District. The original owners of The Pinery, donated it to the County, as required at that time, for a future school. The School District has identified that this is surplus property and has a pending contract with a developer. The developer is requesting that the zoning be changed on this property from school district site to single-family residential zoning.

The Pinery HOA has had two meetings with the developer, and the homes now proposed are 28 down from 33 and none of these homes will have driveways directly to existing roads. The Pinery HOA and residents submitted comments, as requested, to the Douglas County Planning Department in mid-June. Given all the building going on in the area, The Pinery HOA would like to have this area designated as Douglas County open space so that we continue to have an area for deer, fox, turkeys and other animals that reside there. These 12 acres are adjacent to our 5 acres in North Park, creating over a 17 acre area. If there are to be homes built on this property, The Pinery would only support significantly less custom homes which would fit with the larger lots right next to it in The Pinery and in the Hidden Village neighborhood. There are some additional concerns we have shared with the County, including that additional traffic entering onto Ponderosa Way (across from Falling Leaf Circle) will be a safety issue due to the decline and curve of the road in that area. For more information regarding what the HOA has submitted to the County, go to our website, www.Pinery.org, and scroll down to Development News. Maps and updates are included there.

On June 21, the Developer presented the proposed plans to residents at the Pinery Fire station. On August 25, The Pinery HOA held a meeting for residents to provide information on the process and what residents can do. The Developer will need to respond to the comments submitted. At a yet to be determined date, there will be a public meeting held by the Douglas County Planning Department. The Pinery will present at that meeting and residents may as well.

What you can do: Resident support can make the difference.

- Sign a petition at the HOA office or online.
- Write or email a letter to Mike Pesicka at the County. At this point the developer does not have to respond to the comments, however, the County will review letters and they go into the project file. Please send a copy to the PHA office. Use the link above for information on how to write a letter. Mike Pesicka's contact information is: Douglas County Dept. of Community Development, 100 Third St., Castle Rock, Colorado 80104 or email at: mpesicka@douglas.co.us
- Attend the County Planning Commission Meeting – we will publicize this when we know the date. We expect it will be on-line, as well as in-person.

If you have any questions, you can email The Pinery at ARC@Pinery.org or call us at 303-841-5305.

Parking on the Public Road or Right of Way and Douglas County Ordinances

In The Pinery all the roads (not driveways) are public and owned by Douglas County. The public road includes approximately 15 feet on either side of the paved road. This area on either side of the road is referred to as the "Right of Way (ROW)". The ROW is an area that the homeowner is responsible for maintaining, however, it does fall under Douglas County Ordinance No. O-020-001 Regulations of Traffic and Parking.

We have had instances in The Pinery where people have been parked in such a way that 1) a Fire Truck would not be able to get through; 2) the garbage truck has not been able to get through to pick up trash; 3) residents have parked on the right of way/road and another resident cannot easily get out of their driveway, and

4) some residents are storing their Vehicles on the ROW.

You should be aware that Douglas County has the authority to **Impound Vehicles** (via towing or by installation of an immobilizing device or "boot") under the following circumstances, in accordance with Ordinance No.O-020-001, Part IV IMPOUNDS:

- if the Vehicle has been abandoned on a public right-of-way. For purposes of this Part IV, a Vehicle shall be deemed "abandoned" if it is inoperative (regardless of registration status) or
- if, after an abandoned vehicle notice has been placed on the Vehicle requiring that it be moved, the Vehicle has not been removed within 72 hours; or
- If the Vehicle is illegally parked, for any length of time: (1) in a manner that obstructs any roadway or emergency access; (2) in a fire

zone or in front of a fire hydrant; (3) in a manner that prevents any other Vehicle from being able to move; (4) in any area marked as a tow away zone; or (5) in any other circumstance where the Sheriff or a person acting under his authority determines that it would be unsafe for the Vehicle to remain illegally parked.

The cost of recovering an impounded Vehicle shall be the responsibility of the Owner of the Vehicle."

We encourage neighbors to speak to each other if they have a concern regarding where someone is parked. If corrective action is not taken, you can report a vehicle that is parked on the paved road or ROW and appears to be abandoned, or preventing another vehicle from getting around, by calling the Douglas County Sheriff's office's Traffic Safety Line at 303-666-7539.
