Make Your Vote Count

Exercise your right to vote in the 2026 PHA election.

The vital positions on the Executive Board (EB) and Community Services Committee (CSC) help maintain our sense of community, interface with Douglas County for community issues, manage finances and coordinate key Pinery activities. (2) Executive Board positions and four (4) CSC positions are up for election. Find out more about the candidates on page 5 of this newsletter.

Go to the Pinery website, pinery.org under About and Board & Committees for more information regarding EB and CSC responsibilities.

2026 Proposed Budget Summary

The 2026 Proposed Budget is now on the website, www.pinery.org. Copies are also available in the PHA office in the lower level of the fire station (8170 Hillcrest Way).

Please note: you must be a 2026 PHA member in good standing (dues current) within Pinery filings 1-8A to vote or run for a position in the January election.

Your presence or proxy is essential to meet our 40 household quorum.

2026 Recycle Calendar

For your convenience, the 2026 Recycle calendar has been inserted into this newsletter. Recycle days may also be found on the calendars on the last pages of each newsletter.

2026 PHA Candidates

Executive Board

Barry Hong (incumbent)

Barry Hong moved to Parker, CO in 2003 and to The Pinery in 2013. Barry has spent his professional career in real estate development, management, operations and acquisitions.

Prior to his professional roles, he served in the US Navy/Civil Engineer Corps. (CEC), fulfilling a five-year active duty enlistment with an additional three years served in the Reserves. Barry currently resides in Parker, Colorado with his wife and two daughters.

Community Services Committee (CSC)

Rebecca Jones-Egloff

A Colorado native with more than two decades of experience, Rebecca Jones Egloff brings a rare combination of local insight and sound professional expertise. Her relationship with Christ shapes the way she listens, communicates, and advocates on behalf of her clients. Rebecca's work is guided by a calm, consultative approach rather than a sales-driven one—earning the long-standing trust of her clients and building a business supported almost entirely by referrals from past customers, peers, family, and friends.

Whether working with first-time buyers, seasoned investors, families navigating a move, or clients looking to downsize, Rebecca meets each person where they are. She takes the time to understand their goals, pace, and priorities, offering clear guidance and steady support at every stage of the process.

Beyond real estate, I find joy in travel, cooking, gardening, antiques, reading, and playing pickleball, as well as hosting gatherings that bring people together. Most meaningful of all is the time I spend with my children, Chloe and Cooper.

Proudly aligned with LIV Sotheby's International Realty, Rebecca offers a knowledgeable, thoughtful, and deeply personal real estate experience grounded in integrity and care.

CNE (Certified Negotiation Expert), CDRE (Certified Divorce Real Estate Expert), CRIS (Certified Residential Investment Specialist), RCC (Residential Construction Certified), NHS (New Home Specialist)

Please Note: If you would like to be added to the ballot for the January election, please contact the PHA office (303-841-8572 or pha@pinery.org) before the January 21st Annual meeting.

Christmas Tree Disposal

You can Recycle your tree

December 26—January 31

Castle Rock

500 Fairgrounds Drive

Bring Christmas trees by at anytime and place in the mulching area. When recycling your tree, please be sure they are completely undecorated. This means removing all ornaments, lights, tinsel, garland, plastic wrap, tree stands, wire, rope, nails, etc. before bringing trees to be recycled. Live trees with artificial snow sprayed on the branches cannot be mulched.

Mulch available on-site while supplies last. Call Douglas County Parks Department at 720-733-6990 for more information.

Apex Christmas Tree Pick Up

- For interested Pinery residents, live Christmas tree pick up by APEX Waste Solutions is designated for Wednesday, January 7th, 2026 (normal trash pick-up day of the week).
- Trees picked up by APEX will be taken as trash to a landfill and not recycled.
- Trees must be cut into 4-foot lengths and left in the general area where normal trash & recycling is picked up.
- You do not need to contact Apex ahead of time but you do need to have your tree at the curb no later than 7:00 a.m. They will be coming EARLY for the trees. If they are not out and get missed there will be a go back charge.

Thank you,
Your APEX Waste Solutions Team

COVENANT CORNER

The Pinery Architectural Review Committee

'Twas the Season

We all enjoy the wonderful holiday lighting presented by our residents and appropriate for the season. With the holidays over, please be sure to take down your lights and yard decorations in a timely fashion. Winter holiday lighting still apparent on our residences in the warm spring and summer months lends the appearance of neglect. Take advantage of one of our many wonderful warm weekends to get this item off the to-do list!

Message from Apex Waste Solutions

- For the safety of our Drivers/Helpers and to ensure efficient collection, we kindly ask that residents **do not place out trash bags larger than 40 gallons or weighing more than 25-30 pounds**. Bags exceeding these limits will not be collected.

Thank you for helping us protect our drivers and maintain safe operations.

- Also, please separate your trash and recycle containers. If they are placed together, sometimes it is difficult for drivers to determine trash from recycle.
- Please make sure to bag your trash to avoid debris falling onto the streets.
- Recycle should not be bagged.

RV Lot Reminders

RV Storage Lot and Snow Removal

The Pinery Storage Facility Lease (Page 2, paragraph 5) states that the Association does not do removal of snow. In addition to being very costly, plowing snow at the lots would be problematic. The soft surfaces at the lot could be easily damaged and snow would, of necessity, be plowed in front of spaces of lessees.

Be sure to be aware of this as you make plans for use of your stored vehicle(s).

RV Dump Station News

Because of problems with frozen pipes in the past, the water at the dump station was shut off on November 1 and will be turned back on in the spring. The dump facilities will still be available.

Pinery Teens

Occasionally the PHA office receives calls from residents asking about snow removal. They would prefer to hire a local young person rather than a snow removal company to shovel off their porch and driveway. If you are interested in helping in this way, and would like to be put on our teen resource list, please contact the PHA office at 303-841-8572

Snow Removal Information

Snow Removal – Resident Responsibilities

Detailed information regarding resident snow removal responsibilities is available on the Douglas County website <https://www.douglas.co.us/road-work/snow-and-ice-removal/> for your use.

Pinery residents should be aware of the following:

- Any vehicles parked in the roadway, blocking access, will cause the snowplow not to clear that street.
- It is illegal to place any snow and ice from private property (e.g. driveway) onto the street or public right-of-way.

From the Douglas County Website:

Anyone who violates the snow removal policy is committing a class 2 petty offense and if convicted is punishable by a fine not to exceed \$50 per violation. This ordinance is enforced by the Douglas County Sheriff's Office.

Some Frequently Asked Questions Regarding Snow Removal

What if I have an emergency and my street isn't plowed?

If an emergency situation occurs, call **911**. Equipment will be diverted for emergencies **ONLY WHEN REQUESTED BY AN EMERGENCY SERVICE AGENCY OR THE DOUGLAS COUNTY SHERIFF'S DEPARTMENT**. The Sheriff's Department is in constant communication with PW Ops personnel during snow events so snow removal equipment can be detoured to assist emergency services.

Who is responsible for damaged mailboxes?

Mailboxes installed along roadways are at the risk of the owner. Mailboxes damaged from lack of owner maintenance, weight of snow from plowing, or vandalism is not the responsibility of the County. Postal regulations require residents to clean snow from in front of mailboxes to allow for mail delivery. Douglas County encourages the clustering of individual mailboxes to minimize potential damage during snowstorms and to increase efficiency of mail delivery. To learn more about mailbox clustering, please call 303.660.7480.

After the storm, the snowplow came through and pushed snow back into my driveway entrance.

Cleanup and widening operations often take place one to four days after the snowstorm, depending upon the severity of the storm and wind conditions. It is often necessary to widen roads to ensure that ice and snow melts from the pavement surface. Unfortunately, subsequent widening operations may push snow back onto sidewalks and driveways.

Who is eligible to vote in the PHA Election?

If you are a member in good standing for the year 2026 you may vote. A member in good standing lives in Pinery filings 1-8a and has paid the 2026 \$33 HOA membership fee in one of the following ways:

- directly
- as a Pinery trash customer or
- as a Pinery RV lot lessee

How do I vote?

You may cast your vote in the following way:

- Mail or deliver your completed and signed ballot to: PHA, 8170 Hillcrest Way, Parker, CO 80134 so that it is received no later than January 21, 2026. (See pages 3 and 4).

Douglas County Emergency Notification System—CodeRED

Life can change in a moment - make sure you are connected to the CodeRED emergency notification system in Douglas County! The system, CodeRED, is a high-speed telephone emergency notification service allowing public safety agencies the ability to deliver pre-recorded information to targeted areas within the county.

Douglas County's public safety agencies encourage everyone to register their contact information in the CodeRED system (reverse 911). Registration is not automatic, but it may be critical to your safety and that of your family.

Please register online at douglascountycodered.com
